

Where Do The Church Denominations Stand On Abortion?

God created us, we human beings, in His Image. You would think we would not want to kill an innocent baby in his mother's womb, that life is sacred. Yes, that baby will be born with a sinful nature, but he has not done any evil deed deserving death as would one who murders another.

It is especially disturbing that 'born again' Christians are involved in abortions. You would think that the pastor's would have made it clear that the child in the womb is fully human and should be protected.

But that is not the case. A great number pastors, maybe a majority, support abortion in varying degrees. And, their denominations have passed resolutions taking a stand in support of abortion.
