## PETITION FOR IMPEACHMENT OF ATTORNEY GENERAL MARK HERRING

As Virginians, we, the undersigned, believe our Commonwealth is entitled to be represented by an Attorney General who will not betray our Constitution by joining litigants in an effort to have its duly-adopted provisions declared illegal.

Our collective, informed decision to preserve the sacred institution of marriage in Virginia constitutes sound public policy and is supported by compelling legal arguments.

Under these circumstances, we, the undersigned, hereby call for the impeachment of Attorney General Mark Herring, who has chosen to actively fight against this Constitutional provision rather than fulfill his duty to defend it.
